

# NTFC CT's Equality Statement

## Equality Statement

For Northampton Town FC Community Trust (NTFC CT), **equality** is not about treating everyone the same; it's about ensuring that everyone has **equal access to opportunities** - through taking into account the **differing needs and capabilities of people**.

## Protected Characteristics

**Diversity** is about recognising and valuing differences through the **inclusion** of as many people as possible, regardless of whether those differences relate to **protected characteristics** such as **age, disability, gender reassignment, marriage & civil partnership, pregnancy & maternity, race** (which includes **colour, nationality, citizenship and ethnic or national origin**), **religion or belief, sex** (or **gender identity**) and/or **sexual orientation**.

## Valuing All Differences

However, **diversity** and **inclusion** also includes **valuing other differences** linked to such things as **homelessness, income levels, having previous criminal convictions, commitments outside of work, working part-time or shift work, language, union activity, health status, perspectives, opinions** and/or an individual's **personal values** etc.

## Equal Opportunity

Therefore, for NTFC CT, **practicing equality** is about ensuring that every individual has an **equal opportunity** to make the most of their lives and their talent; and a belief that no one should have a poorer life chance because of such things as **the way they were born, where they come from, what they believe** - or whether they have a **disability** etc. And equality is also about recognising that certain groups of people have historically experienced discrimination. **It is because of this belief and understanding that NTFC CT is committed to the following:**

**"NTFC CT are fully committed to equality, diversity, inclusion and anti-discrimination - including mental health and wellbeing. We will work to address areas of under-representation and disadvantage in all aspects of our operations, activities and services. In practice, this means that we will respect the needs of each and every individual regardless of their differences; and to this end we will deliver our operations, activities and services in such a way so as to ensure that that no one is excluded."**

## Equality Champions

NTFC CT have appointed an **Equality, Diversity & Inclusion Lead** at **Board** and **Management level** who have responsibility for **promoting** equality, diversity and inclusion - including mental health and wellbeing - within NTFC CT and in the delivery of our services. NTFC CT has also appointed an **Equality, Diversity & Inclusion Lead** at **Staff level** who has responsibility for **implementing** and **monitoring** equality, diversity and inclusion - including mental health and wellbeing - within NTFC CT and in the delivery of its services.
